Prepayment Penalty on all Loans up to \$40,000 (See “Subordination”):

- If the loan is paid off through a refinance or the property is sold during year one (1) through four (4) of occupancy, the loan is recalculated at six (6) per cent interest.
- If the loan is paid off through a refinance or the property is sold during year four (4) through six (6) of occupancy, the loan is recalculated at four (4) per cent interest.
- After six (6) years of continuous occupancy from the date the loan closes, the two (2) per cent rate is guaranteed for the life of the loan.
- In all cases, credit is given for the payments made at two (2) per cent interest.

Fees/Pre-Paid Interest: There are no fees or pre-paid interest associated with these loans.

Assumability: All down payment assistance loans can be assumable as long as new owner meets these same requirements.

Use: Funds may be used towards the down payment on a new or existing single family residence located in Wasatch County or a Ranch Landing condominium and may not be used to cover any closing costs. The first mortgage when combined with a second mortgage, as well as any other mortgages, grants, etc., may not result in cash back to the borrower. The sum of all financing may not exceed 100% of the cost to acquire the property plus any normal pre-paid expenses.

Subordination: At the sole discretion of WCHA, a loan may be subordinated if the borrower’s account is current and payments have never been thirty (30) days late. Subordination will not be made lower than second position on the property title.

Approval: Applications are reviewed on a monthly basis at the monthly Board meeting. To be considered, applications must be received and file complete 48 business hours prior to the monthly Board meeting in order to facilitate review. The approval is valid for six (6) months during which time construction on a new home must begin or the closing on the purchase of an existing home must take place. Applicants may reapply after a six (6) month approval period has lapsed.
